

LUSAKA, ZAMBIA

Zambia is a friendly country and the national language is English. We partner with the IMB in the capital city of Lusaka. The national religion is Christianity. However, the prosperity gospel has infiltrated evangelical churches and distorted the true gospel. Also, African Traditional Religions (ATR) have been blended with Christianity that While many have heard the gospel, there are also many unreached people groups that live outside the capital city.

Trip Dates: July 18-26, 2019

Cost: \$700 plus airfare, \$2000 - \$2200

Accommodations: IMB Guest House

Pre-trip Meetings: Must attend the four preparation meetings, to be scheduled.

Trip Focus:

We will:

- Serve alongside IMB personnel
- Develop relationships with Zambians who are open to the gospel
- Connect with unreached people groups
- Train local Christian leaders in evangelism and discipleship
- Facilitate the planting of a new church
- Ministry opportunities in the slum areas outside the city
- Build relationships with the beautiful people of Zambia
- Some renovations at the local seminary
